

Satellite Imagery Change Analysis Report

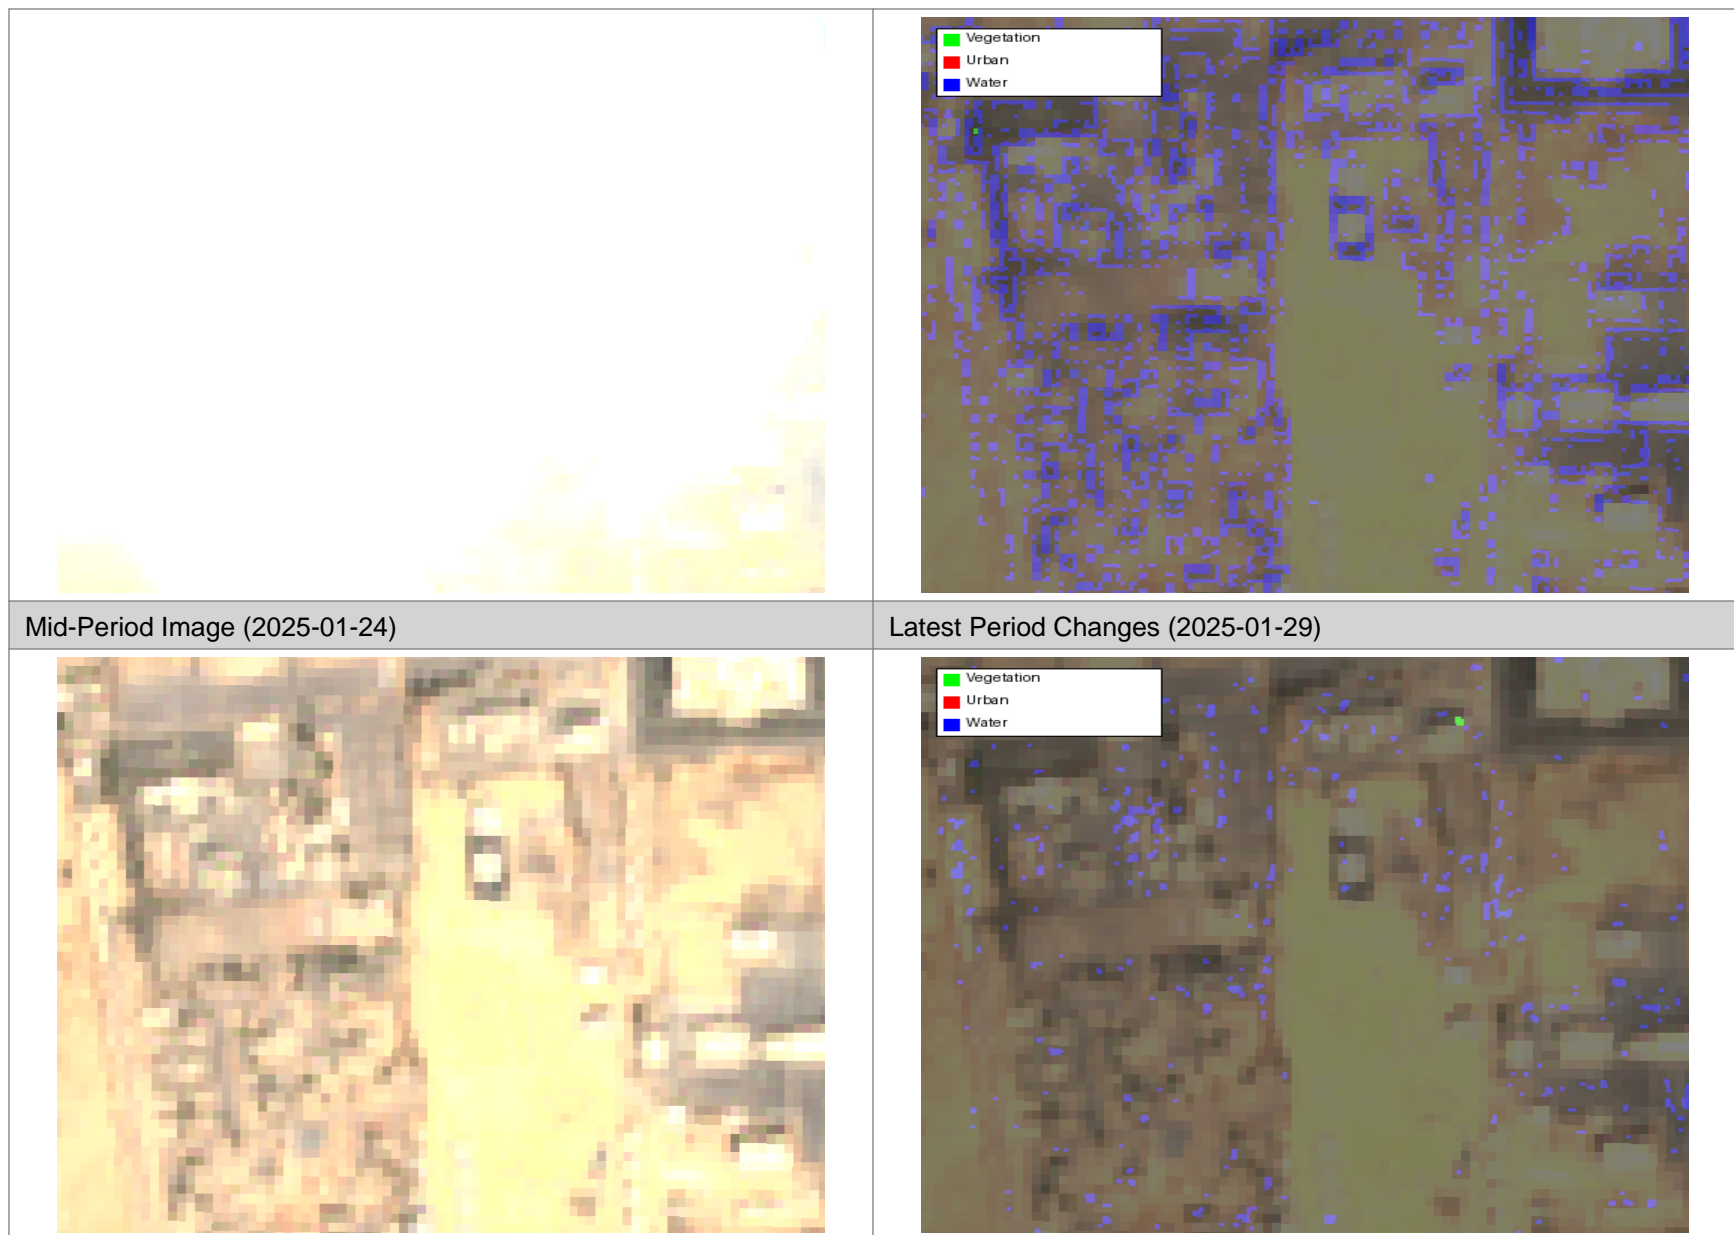

Report Generated:	2025-03-25 17:42:13	Analysis Period:	2024-12-18 to 2025-03-12
Location:	Coordinates: [58.308328, 23.581609]	Analysis Type:	Vegetation, Urban, Water Changes
Satellite/Sensor:	Sentinel-2	Cloud Cover:	Less than 10%

Satellite Image Change Analysis Overview

Detailed Change Analysis

Base Image (2024-12-20)	Mid-Period Changes (2025-01-24)
-------------------------	---------------------------------

Change Analysis Legend

Disclaimer: This is not an official map. The satellite imagery and analysis are for informational purposes only. | Generated using Sentinel-2 imagery | Analysis period: 2024-12-18 to 2025-03-12

Color	Change Type	Description
Green	Vegetation Changes	Areas where vegetation has increased or decreased
Red	Urban Development	New construction, buildings, or infrastructure
Blue	Water Bodies	Changes in water levels, reservoirs, or water features
